South Lake - patrol	20160902	An obvious labour-intensive working day throughout the community involving end of summer preparations and back to school routine for summer-seasonal residents. A colder evening and abundance of mosquitoes kept the majority of residents by their fire pits. All was quiet throughout the community during the evening hours.
South Lake	20160903 (Saturday)	Departed Moose Jaw at 15:00 hrs. Return to Moose Jaw at 23:00 hrs. Vehicle Odometer on departure: 3002/Vehicle Odometer on return: 3157 Total: 155kms (round trip). Weather: 22C-11C.
South Lake - patrol	20160903	<p>Another "Fall Preparation" working day throughout the community. The Annual "Spuds and Suds" in Sun Valley kept South Lake active with "lost drivers" trying to find their way out of the area after festivities were concluded. Drivers were re-directed to the main road exit out of the area.</p> <p>During the evening there were a few residential parties and fireworks at the Loney's beach area. A cold and quiet evening.</p>
South Lake	20160904 (Sunday)	Departed Moose Jaw at 16:30 hrs. Return to Moose Jaw at 23:00 hrs Vehicle Odometer on departure: 3157/Vehicle Odometer on return: 3268 Total: 111 kms (round trip). Weather 15C-11C.
South Lake - patrol	20160904	<p><u>Address:</u> Tatanka Drive</p> <p><u>Incident:</u> A couple residents walking their dog along Tatanka Drive had their leashed dog attacked by an unleashed dog owned by a visitor to the area. Injuries were sustained by one of the residents who fell down on his knees during the altercation. The dog and owners were badly shaken up by the incident.</p> <p><u>Action:</u> The RCMP Det Moose Jaw were contacted owing to the injuries sustained by the resident. The RCMP investigated the incident where a report was filed for future liability issues. As well, a Bylaw Fine of \$25.00 was levied by the RCMP against the other resident, of the visiting dog's owner, for harbouring a dog at large.</p> <p>During the evening there were a few residential family fire pits, but was relatively quiet throughout the community.</p>
